Mr. Robert Simmons, Staff Director  
Select Committee on Intelligence  
United States Senate  
Washington, D.C. 20510

Dear Rob:

This note will confirm some personnel changes about which you have been informally advised. [ ] has been assigned to the key position of Deputy Chief of the International Activities Division of the Directorate of Operations. To replace [ ] as Chief of my Legislative Liaison Division, I have selected Burt Hutchings, already well known to you for his work with your Committee over the past years. (C)

[ ] has picked [ ] to replace Burt as senior legislative liaison officer on the Intelligence Community Staff, so there is a strong thread of continuity which I am certain will strengthen the already excellent working relationships that we have with your staff. We are actively seeking an experienced officer to handle the Senate Branch; in the interim, Burt will give that account his special attention. (U)

I look forward to working with you and your staff in the next few months, and on into the 98th Congress. (U)

Cordially yours,
